

'Creating brighter futures'

23rd June 2017

Dear Parent/Guardian,

Re: Illnesses at School

Over the last 2 days we have had a number of pupils affected by a sickness bug which has resulted in both staff and pupils being affected. Can we please remind you that if your child has any sign of Sickness or Diarrhoea, Health Protection Agency guidance is to keep your child home until 48 hours after the last bout of illness. This is to protect the very vulnerable pupils in any school and minimise the chance of other children and young people being affected.

If the bout of illness begins at school, please note that you will be asked to collect your child.

Thank you for your co-operation in this matter and if you have any concerns please don't hesitate to contact me at the school.

Yours faithfully,

C White
