'Creating brighter futures'

19<sup>th</sup> July 2017

Dear Parent/Guardian,

**Re: End of Year Information**

A cliché I use every year but still so very true, these last few weeks have been an absolute whirlwind in school. In this time we have shared some wonderful moments with pupils, both past and present, at the Prom. We have shared the achievements and successes from the year in a special assembly. Said goodbye to some dear colleagues and students. But most importantly, worked very hard on ensuring pupils moving up through school are properly supported with up to date information for the next class.

So, before we finish for the holiday I would like to take this opportunity to thank you all for your support over the last year and wish you all a lovely break. However, I am always mindful that circumstances can change and challenges can happen at any time, therefore, please note the following numbers:

**01332 888080 - Physiotherapy**

**01332 254634 – Orthotics**

**0115 9309400 – Wheelchair repairs (Clarke & Partners)**

**01132 287057 Wheelchair Services**

We also have a school phone which you can call to pass on any info directly **07535 368597**. Obviously we won't be continually carrying the phone around but please leave a message and we will return your call as soon as possible.  
Happy holiday and we will see you back on **Wednesday 6th September**.

Yours faithfully,

Chris White
