

'Creating brighter futures'

17<sup>th</sup> July 2018

Dear Parent/Guardian,

**Re: Jo Harrison Leaving**

On behalf of the school I am pleased to inform you that Jo Harrison, Deputy Head Teacher, has been successfully appointed to the post of Head Teacher at a Sheffield special school starting in January 2019. I say pleased because Jo has been an inspirational influence at Stanton Vale over her time here and will be genuinely missed by all. However, we should always be happy when someone is ready to share their expertise and skills with others in a role they have worked hard to earn. Stanton Vale's loss will be her new schools gain but one that we wish her all the best with.

Jo will still be in role here until January and through the autumn term the school will begin the recruitment process to appoint a new Deputy Head Teacher.

In other news I am pleased to be able to share with you a link to a video of our pupils.

<https://www.youtube.com/watch?v=JSFkf7TFNwg>

Alex and Emma from our Middle Department decided that they wanted to showcase what we at Stanton Vale School are all about with a video. With the help of Joel, founder of 'Always with a Smile Foundation' we believe that they captured our pupils beautifully and it is a pleasure for you all to see what we get to enjoy daily by being with these inspirational children.

We would like to thank Alex, Emma and Joel for their hard work to produce such a wonderful video.

Yours faithfully,

*C White*

Chris White  
Head Teacher
