

'Creating brighter futures'

21st March 2018

Dear Parent/Carer,

Re: Stanton Vale 'Lip sync' video

I am sure many of you will have seen the wonderful Carpool Karaoke mums' video, which is raising money for Down's Syndrome awareness.

We have been inspired by this wonderful video and want to create something similar. We would like to showcase the many different ways in which our pupils communicate and celebrate how unique and amazing they all are. Our plan is to develop something using the track 'This is me' from The World's Greatest Showman Movie.

Our first aim is to show the video at our end of year assembly in July. As well as having lots of fun making it, we hope to empower our pupils to play a part in fundraising by eventually sharing the video with a wider audience to help raise funds for our much needed playground. It may not be possible for all our pupils to appear in the video but who knows, if successful, this could be the first of many!

We are very excited about this project and hope that as many pupils as possible will take part. If you would **NOT** like your child to take part in the video, please sign and return the slip below.

Yours faithfully,

Emma Borrett and Alex Higginson
