

'Creating brighter futures'

13<sup>th</sup> February 2018

Dear Parent/Guardian,

**Re: Scarlet Fever**

There has been a suspected case of Scarlet Fever in school. You can find out more about the signs and symptoms via the NHS website.

<https://www.nhs.uk/conditions/scarlet-fever/>

The HPA (Health Protection Agency) guidelines state that any child with Scarlet Fever can return to school 24 hours after commencing appropriate antibiotic treatment.

**IF** you are concerned about your child's health please do not hesitate to contact your GP or call 111 out of hours for further advice.

If you have any queries please do not hesitate to contact me at the school.

Yours faithfully,

*H Farrell*
