

'Creating brighter futures'

13<sup>th</sup> November 2017

Dear Parent/Guardian,

**Re: Christmas Events**

Please find attached a list of some of the whole school and department based activities we have over Christmas. For most of the events separate letters will be issued via school so we can check numbers and confirm arrangements but at least this will provide an overview for you.

Christmas can be a very magical time for our pupils but not one without its challenges. Whole group and school activities can be very busy and sometimes don't quite fit into our normal timetable therefore we try and work with pupils and what they can manage. At least though, if you are aware of what is going on you can help prepare your child beforehand. As ever, we love to welcome you in to school for some of the events and look forward to celebrating this period with a spirit of community.

Finally, a reminder that the school reopens to pupils on Wednesday 3<sup>rd</sup> January 2018.

Yours faithfully,

*Chris White*
