

PROGRESS DATA SUMMARY 2016/17

See below headline progress information 2016/17. Data has been divided into year groups. The second row in each table (A) shows the percentage of pupils in each year who have made less than expected progress, the third row (B) shows the percentage of pupils who have made expected progress and the four row (C) shows the percentage of pupils who have made better than expected progress. See our 'How we track attainment and progress' document for more information on our definitions of less than expected, expected and better expected progress for different groups of pupils.
