

'Creating brighter futures'

3rd January 2018

Dear Parent/Guardian,

Re: Sad News

I do hope you have had a good Christmas and a happy new year to you all.

Sadly, I begin the year with some difficult news. Adam, one of our pupils in the Upper School Department, passed away during the holidays following a short illness. Adam had been with us in school for over fifteen years and will be sadly missed by all. sure you will all join me when I say our thoughts are with his family at this difficult time.

Yours faithfully,

C White
