

## Could you be a school governor?

Stanton Vale is looking for parents in our community who have a real passion for our school.

You might think becoming a school governor is a difficult thing to do?

However, Stanton Vale thrives on the knowledge of our parents. Our parents know so much about Special Education, the needs of our young people and the services they require. This knowledge can really help our school.

**Become a school governor and you can be part of the school's future!**

**Please complete the information below and send back to the school office by Friday 12<sup>th</sup> April**
